

Recreation Foundation of Hopewell Valley, Inc.

September 15, 2014

Dear Community Partner

The Recreation Foundation of Hopewell Valley has spent the last few years working with the community to provide recreational facilities for young athletes in Hopewell Valley. With the help of the entire community, we were able to finish the *Turfs Up* project that provided the Hopewell Valley with a multi-purpose artificial turf field. We could not have done that project with your support! Thank you!

This year's Fall Ball ***La Fiesta – Celebrating Community*** will be held on Saturday, November 22nd at the Hopewell Valley Golf Club. The evening will be a celebration of our local businesses, organizations and athletes. **We invite you to join us in this special evening by promoting your business with a donation to the auction or an advertisement in the program booklet.**

This year's proceeds will be returned to the Valley in the form of community grants. Beginning in 2015, we will open up the opportunity for smaller recreational organizations to apply for a grant to help with their projects and/or programs. We appreciate your assistance in helping us make this possible.

Enclosed, please find an advertising form for the program, a donor form for an auction item and a return envelope for your convenience. If you have any questions, please contact Kim Bruno at kmbruno@aol.com or 609-571-7555.

On behalf of all the young athletes and beneficiaries of these community assets, we thank you in advance for your consideration and support.
