PENNINGTON QUALITY MARKET "TURF'S UP!" ST. PATRICK'S DAY CELEBRATION

It's a natural!

Last Fall, Mike Rothwell, VP and General Manager of Pennington Quality Market and Sheryl Stone, Trustee of the Recreation Foundation of Hopewell Valley sat down to explore how the market could help with fundraising for a turf field at Hopewell Valley Central High School.

"There are certain businesses that are central in the life of our community and it has always been our feeling that the "Turf's Up!" project would not be complete without their involvement," according to Stone.

The Pennington Quality Market is proud to announce a partnership with the Recreation Foundation to raise funds for an AstroTurf field at Hopewell Valley Central High School. Plans are underway to support "Turf's Up!" – the fundraising initiative for the field – by inviting loyal customers and the entire community to join together for this worthwhile project. On Saturday, March 17th, PQM will donate 5% of sales to support "Turf's Up!" to help the Recreation Foundation close in on their goal of a million dollars. Student athletes, musicians, coaches and directors will be bagging your groceries as a way of showing their appreciation and a raffle of items donated by local businesses will add to the fundraising total for the day.

The field will provide an outstanding venue for field hockey, football, lacrosse, soccer, marching band, cheerleading and special community events like Graduation and Homecoming. With the community's help and support the field will be constructed this coming Summer. PQM and the Recreation Foundation hope you will join in supporting over 2500 young people in recreation leagues and 36 teams at Timberlane Middle School and Hopewell Valley Central High School who will be the recipients of your generosity.

Make your grocery list now and plan to be part of this exciting project!
